

This architectural drawing depicts a row of five buildings, numbered 22, 20, 18, 16, and 14 from left to right. The drawing shows the facade of each building, including windows, doors, and balconies. A scale bar at the bottom left indicates 57,00 units.

- Building 22:** A three-story building with a central entrance door and a small balcony above it. The facade is simple with rectangular windows.
- Building 20:** A three-story building with a central entrance door and a small balcony above it. The facade is simple with rectangular windows.
- Building 18:** A three-story building with a central entrance door and a small balcony above it. The facade is simple with rectangular windows.
- Building 16:** A three-story building with a central entrance door and a small balcony above it. The facade is simple with rectangular windows.
- Building 14:** A three-story building with a central entrance door and a small balcony above it. The facade is simple with rectangular windows.
